## Engineers' Day Celebration

Every year on 15<sup>th</sup> of September, We hosts a special event on Engineer's day. Engineers are believed to be the creators of the modern world. Every year, we organize dozens of gaming events to celebrate this day.

The event is mostly chill-n-fun where the members of the Student's Corner family host vivid games and fun activities. Games such as Treasure Hunt, Netquiz and chill, Filmistaan, Call of Duty Mobile Tournament. In the year 2020 however, due to trying times of the covid pandemic , we had to continue this tradition online. A two day online event named Cluster 2.0 was arranged.

A felicitation ceremony is carried out during which GTU toppers of LJ are awarded along with the students showing outstanding performance and service in the college and outside the college.
