Flag Hosting Ceremony

Indian national flag is hoisted on two very special occasions, 15th of August Independence Day and 26th of January Republic day. Independence Day embarked the day India became a free country.   Republic day is in celebration of our constitution coming into force. Every year the flag is hoisted with zeal and enthusiasm to express the feeling of unity and secularism. On these days a function is arranged wherein all the students, teachers, management staff get together and celebrate with love and respect for the country. The celebration begins with a flag hoisting ceremony followed by a march, patriotic poems, songs, speeches and many more. On these days we remember our great freedom fighters and urge to keep intact the integrity, peace, freedom, unity in diversity of the country.
