## CHESS TOURNAMENT

A chess tournament was held in LJIET for first time on 25<sup>th</sup> September, 2019. Harikrashtra Parikh- LJIET's own student who is a chess player introduced the idea of this event. Harikrashtra's achievements involve bundles of prizes and he has firmly stood first in the 2019 'GTU Spirit' chess competition at all its levels. He will now go on to take part in the upcoming All India University Championship (in the same sport). His keenness to the sport brought this innovative idea and students of LJIET participated in it.

The event mainly comprised of 5 rounds monitored by the arbiters. Bhagyesh Sandhu and Nitinbhai Parikh were the arbiters of the event. 50 students of LJIET took part in the event. Our director congratulated all the participants and blessed them wholeheartedly.
