The LJ University was setup in 2019 as an umbrella organization for its constituent offering courses in various disciplines like engineering, management, pharmacy, computer applications, etc. since 1980. LJ Institute of physiotherapy is an integral Part of the University.

Thus, while the University is of a recent origin, its constituent institutions have a sparkling history of over 40 years.

The University along with its 32 constituent institutions, operates from a well-developed environment-friendly campus having excellent infrastructure facilities. Technology enabled classrooms, laboratories, workshops, seminar halls, auditoriums, open-air theatre, library and computer centers connected with optical fibre and a network of over 2000 workstations, ensures most update learning pedagogy and mechanisms.

The LJ University hosts more than 700 well qualified and academically rich faculty, shaping the future of over 18000 students by engaging in teaching-learning, research and extension activities.

### Mentorship Program:

It is the Unique feature of L J Institute of Physiotherapy. Each student get personal attention from mentors and the students are guided personally to overcome the difficulties in their studies.

### Career Guidance:

LJIPT has established a Career Guidance Cell to create awareness among the students about the multiple carrier openings available to them.

### Counselling:

The Institute plays a vital role in placing a robust team of counsellors and subject teachers who interact with the students from time to time to pursue an employment oriented higher education in the right direction to enhance their employability.

Physical and Mental assistance is offered by the Counsellors to help the students in learning difficulties, behavioural guidance and bridging the gap between home and the new environment.

LJ Institute of Physiotherapy is a great place for ambitious students to excel in their careers, whilst enjoying a vibrant student life the students can gain the knowledge and necessary skills for a career in Physiotherapy.

### Testimonials

#### KAVYA PANDIT - FINAL YEAR BPT STUDENT

Woahh...Beautiful journey of four years...!!

Good quality of Education imparted from the First Year.

The college faculties are highly qualified, very friendly and supportive in every aspect. College also provides us with clinical postings in well-known hospitals. Our college has all the necessary facilities and is spacious enough and good ventilating. well-equipped OPD for patient's assessment and treatment. I'm Grateful to be a student of LJ institute of physiotherapy. Thank you!

#### DRASHTI TALATI - 3<sup>rd</sup> YEAR BPT STUDENT

My overall experience in this college has been amazing, this college has provided me with number of opportunities to grow and explore my skills, I have always found a positive and healthy environment. It also has an amazing infrastructure. All the staff members are highly supportive and are always ready to help. Teachers are very well engaged with us and provide us with effective theoretical and practical knowledge, good equipment's are also provided to get the best results and for optimal understanding in theory and Practical classes.

#### JATAN AMITKUMAR JOSHI - 2<sup>nd</sup> YEAR BPT STUDENT

The college offers a wonderful learning environment with highly-qualified faculty, laboratories, and equipment. The classrooms are digitally equipped along with a calm library filled with all the necessary books. In order to gain experience working in a variety of settings, clinical postings are allocated throughout governmental and private hospitals. Teachers emphasise the practical features in addition to the traditional methods of lectures and seminars in order to improve clinical decision-making and practical abilities.

#### HARSHIT HALPATI - 1<sup>st</sup> YEAR BPT STUDENT

The reason Why I choose L J Institute of physiotherapy is that it imparts good learning experience and also teaches the students how to implement whatever they have learned in the classes in real life situations.

# Research Activities in L J University

L J Institute of Physiotherapy has taken numerous steps to inculcate research culture among our faculty members & students. With all the facilities available in our campus, our students and faculty members are highly involved in scientific, inter-disciplinary and cross-professional research. Our University supports the research activity by providing funds and also recognizes the exemplary research work by the faculty and students by rewarding them with various awards.

Dr. Priya Singh Rangey, Assistant Professor Authored the book Titled 'Principles and Practice of Physical Rehabilitation', and received the Incentives as per LJ University Publication Policy. (2021)

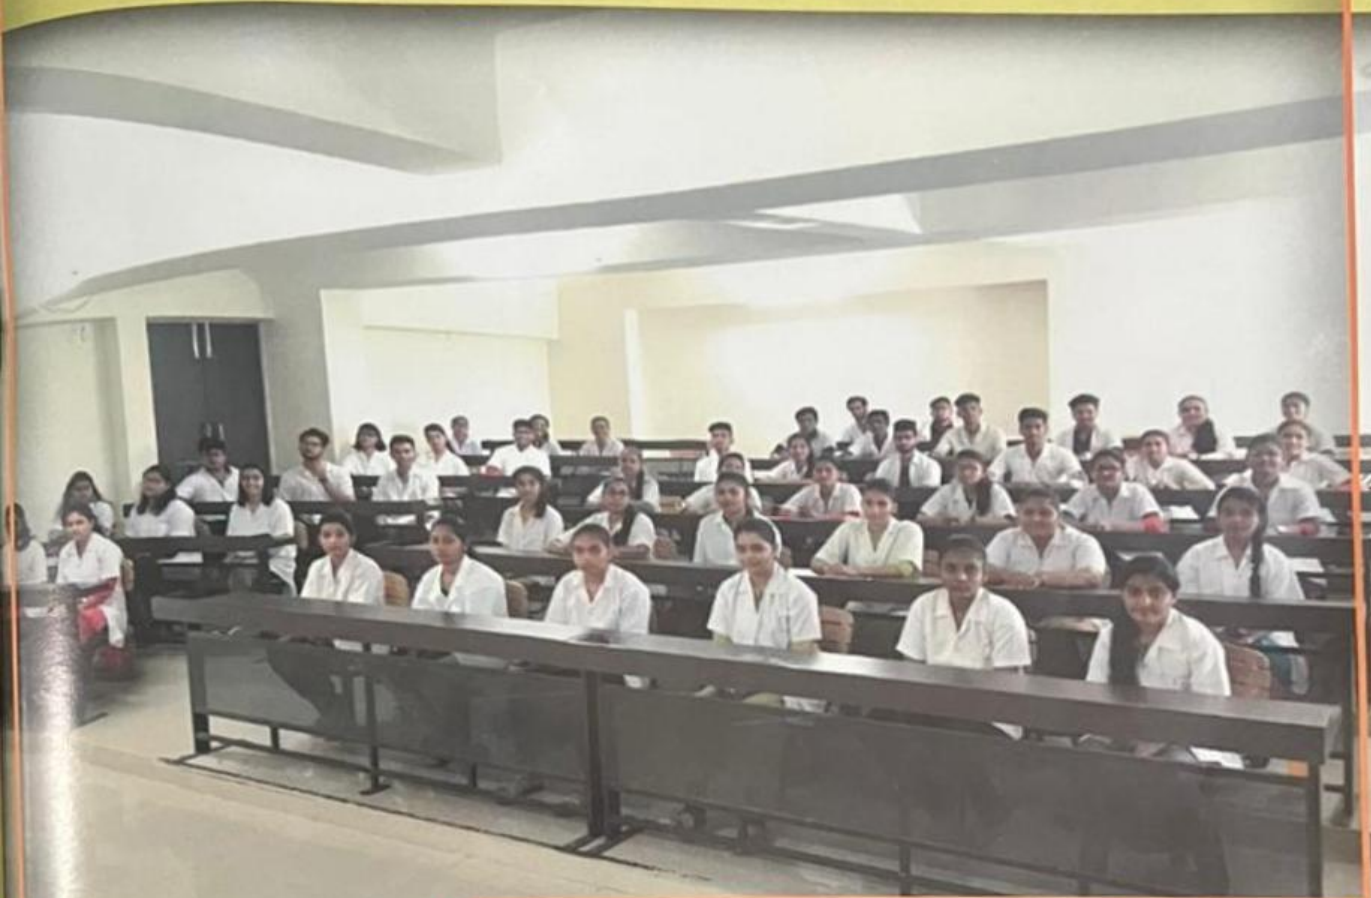

Dr. Priyasingh Rangey, Assistant Professor Won **First Prize in Senior Professional Paper category** at 59<sup>th</sup> Annual conference of Indian Association of Physiotherapists, 2022.
