Overall response of Students for this workshop was amazing. They appreciated effort done by their seniors in explaining Python programming language.

Lunch was served on all three days to speakers and students.

Also every student received participation certificate and speakers were given Appreciation Certificate and Croma Vouchers as a token of their effort given in this workshop.

At the end of the workshop, Valedictory ceremony was done in the esteem presence of LJK Vice President Dr. Manish Shah and Mr Alok Manke (Director – LJMCA). They appreciated participation of students in such extra activity done. Also motivated to participate further in Smart India Hackathon 2019.

Mr Alok Manke, explain importance and significance of Python in real world. And ask them to become expert in Python by working on minimum 3 real time projects.
