L. J. Campus, S.G. Road, Sarkhej Circle, Sarkhej-Okaf, Ahmedabad, Gujarat 380054

Lok Jagruti Kendra (LJK) is a Charitable Trust and registered society. It was founded in the year **1982** by eminent academicians and professionals and distinguished personalities from across the society. L.J. stands for 'Lok' (people) and 'Jagruti' (awareness). LJK is running **more than 22 institutes** offering diverse range of programs from diploma programs to undergraduate to postgraduate to professional programs. It is functioning from two campuses in Ahmedabad, with over 700 well-qualified and experienced faculties to train over **18000+ students** drawn from across Gujarat. At all Campuses, incessantly strive to create congenial learning environment with state-of-the-art academic facilities to meet the world class standards to provide excellent education.

Campus and Infrastructure

A lush green campus spread in 15 acres of land provides great opportunity for interdisciplinary work

High capacity classrooms to accommodate 80+ students, suitable for further digitalization

Well equipped and well furnished laboratories ensuring safe working environment

Spacious auditoriums and conference hall to organise seminars and cultural events

Computer labs having capacity of 150+ students to conduct online exams

CCTV surveillance ensuring discipline and security in the campus including classrooms and corridors.

Libraries equipped with vast range of books and study materials with manageable quantities

Dedicated grounds/courts for different sports to ensure ease of play

Canteens that provide hygienic food and beverages at affordable price

Convenient parking facilities within the premises to deal with huge mass of the students

Transportation available from various part of the city. Public transport also reachable within the radius of 1Km

About LJIAS

L J Institute of Applied Sciences (LJIAS) aims to promote curiosity, learning and application ability among its students. Through its unique pedagogic strategies, it is nurturing students to understand basic and applied science and become problem solver in their future role as scientists, technologists, thinkers and leaders of the society.

Gujarat is an entrepreneurial and industrially advanced state which hosts a series of promising industrial sectors based on applied science and engineering. LJIAS is poised to hone the skills of students so that they cater to the need of local and global industries and scientific endeavours. Academic programs are designed in such a manner that students can avail theoretical knowledge along with enough avenue for practical exposure to get industry ready by the time they graduate.

Seats and Fees structure

PG courses: 60 seats in each course | Fees: INR 35000.00 per semester

UG courses: Seats are as per the allotment of Gujarat University | Fees: INR 12500.00 per semester

Striking features of LJIAS
